HALAL FOOD FOUNDATION

# Who are the Halal Food Foundation?

We don't want to talk at you, we want to talk to you. We are vocal on social media, attend and provide commentary on various events and conferences as well as plan our own. We also send out a monthly newsletter that provides our subscribers with their monthly dosage of halal industry news (and they get to know what we're up to too!)

KEEP IN TOUCH!

We give talks in schools — children are the future and the habits and knowledge they acquire now will stay with them forever. We have a variety of talks and resources that we can tailor to KS1, KS2 and KS3 students...for more information on our schools programme, email [info@halalfoodfoundation.co.uk](mailto:info@halalfoodfoundation.co.uk)

We have plenty of material (and a load of resources!) that we are happy to send out to you — just get in touch with us and ask!

The HFF are a not-for-profit organisation. We are the charitable arm of the international halal certification body, Halal Food Authority (HFA). Whilst the HFA deal with industry enquiries and accreditation, we deal with halal issues from a less corporate angle — our primary focus is to educate the community and be a port of call should they have any halal and / or health related queries.

WE WHOLEHEARTEDLY BELIEVE THAT HALAL IS NOT JUST ABOUT FOOD — IT IS A LIFESTYLE.

The HFF are committed to promoting a halal and healthy lifestyle. We want the community to understand that the decisions we make today in terms of diet will affect us in the future.
